PETALING JAYA: CB Land Sdn Bhd(CB Land), a wholly-owned subsidiary of Crest Builder Holdings Bhd, recently concluded its "Two-Riffic Bonanza" lucky draw campaign with a shower of gifts, including a Honda Jazz.

The Two-Riffic Bonanza campaign, which took place at The Greens@Subang West sales gallery, was held as a token of appreciation from Crest Builder to the buyers for their support.

The Greens is a freehold residential condominium comprising 646 units of residential units on 7 acres of land bordering Shah Alam and Subang Jaya.

With a total gross development value (GDV) of RM400mil, the residential development comes with eight different types of layouts, including three bedrooms, terrace units and penthouses with built-ups ranging from 915 to 1,830 sq ft.

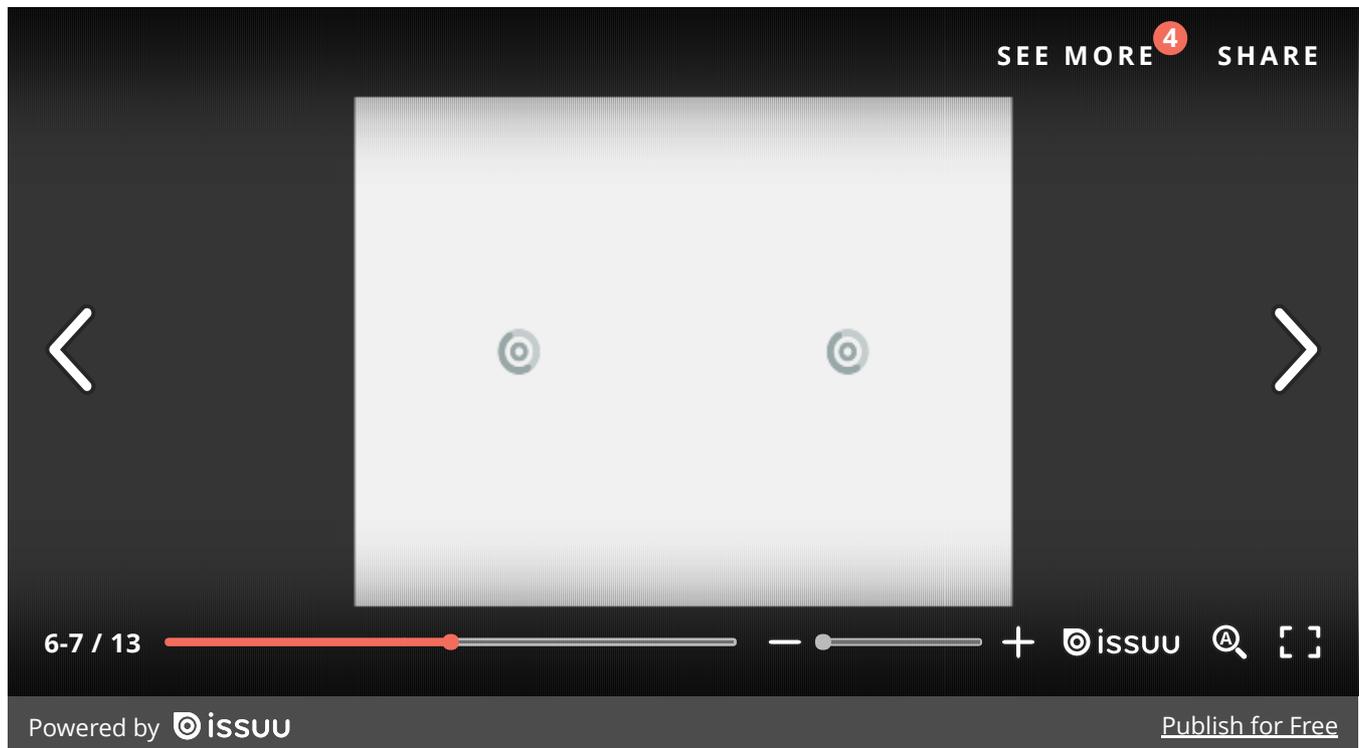

The Greens emphasises on healthy living and is fitted with over 45 facilities spanning over a 120,000-sq-ft park.

Priced from RM 576,800, the development also comes with multi-tier security system, creating a safe and secure living environment with easy access to highways such as Elite highway and Federal highway.

During the prize giveaway event, CB Land group managing director Eric Yong said "The Group was heartened by the overwhelming support received for The Greens and we have our loyal buyers to thank for their continued support and belief in the team.

"We are encouraged by the faith and confidence our buyers have placed in us to build their dream home, as many of them were first time homeowners and owners looking to upgrade from their current homes. I would also want to congratulate the winner of the Honda Jazz and the multiple other prizes," he added.

The construction is 45% completed and is scheduled to be completed by Q3 2018.
