KUALA LUMPUR: [TSR Capital Bhd](#)  to team up with Kwasa Land Sdn Bhd to undertake a residential development on 6.52 acres of land in Kwasa Damansara township.

It said on Thursday it had accepted the letter of award from Kwasa Land for the project which will have a gross development value of RM295mil.

The project will consist of 260 residential units with five development components, which are link villas, cluster villas, exclusive villas, town villas and condominiums.

“The letter of award shall be subject to the execution of a development rights agreement with Kwasa

Land," it said.
