Crest Builder seeks new partner T7 Global on Latitud8

Crest Builder Holdings Bhd seeks to partner T7 Global Bhd to jointly design and build the Latitud8 at the Dang Wangi LRT station transit-oriented development, along Jalan Ampang in Kuala Lumpur.

By NST Business (/authors/nst-business) - September 26, 2018 @ 5:20pm

KUALA LUMPUR: Crest Builder Holdings Bhd has today announced it is partnering T7 Global Bhd to jointly design and build the Latitud8 project.

In its filing to Bursa Malaysia, Crest Builder said the job entailed a commercial block with 44 floors located at the Dang Wangi LRT station along Jalan Ampang here.

Two years ago, Crest Builder advertised the Latitud8 project as a 2.72-acre development which included a retail mall with a net lettable area of 800,000 sq ft, 16 floors of open office space, and 420 residential units of SoFos, SoHos and duplexes.

Today, Crest Builder said it had signed a memorandum of understanding (MoU) with T7 Kemuncak Sdn Bhd, a wholly-owned subsidiary of T7 Global, which is principally engaged in construction works.
