### Crest Builder Holdings Bhd (8591)

By Rakuten Trade Research Team

Sources: Rakuten Trade Research, Bloomberg

- CREBLD gained 5 sen or 5% to close at RM1.05 yesterday.
- Chart-wise, the share has been on a bullish run evidenced by yesterday's resistance breakout and is trading above key moving averages.
- From here, we expect the buying momentum to persist on the back of improving sentiments within the construction sector.
- As such, resistance levels are found at RM1.10 (R1) and further to RM1.16 (R2).
- Likewise, support levels are expected at RM0.965 (S1) and RM0.940 (S2).
